

January 2019

Dear families,

The 2019 Bay Harbor Interest Fair will be held **Wednesday, March 20, 2019 from 6-7pm**. This is your opportunity to learn something new with your child. Students can work on a project with a sibling, if they choose, since this is a family project. We encourage as many students in grades k-4 as possible to participate. The interest Fair provides an excellent opportunity for self-directed learning in areas of high interest or curiosity. Students should use their time and energy to think deeply, ponder endlessly, and question thoughtfully as they explore their topic. This will allow them to engage in thoughtful discussions with other students and adults at the Interest Fair.

Please visit the [links](http://hssdinterestfair.weebly.com) found on the Interest Fair Resource page (<http://hssdinterestfair.weebly.com>) if you are in need of ideas or resources to help get you started. Also, keep in mind that food and pets are not allowed as part of the display due to allergies. We do encourage students who choose to share their food and pet passions to use photographs, videos or other means for sharing.

Please complete and return the entry form, found on the backside of this letter, to your child's classroom teacher by **January 25, 2019**. This form will be returned to you. It is important for students to know that once they sign up, they should stay committed for the duration of the project as each student is awarded a participation medal and we order medals based on the number of entries received. Medals cannot be reused from year to year due to the date imprinted on it.

Thank you for considering the 2019 Interest Fair. Because this project is completed at home, we thank you in advance for your commitment to this great opportunity. You will be receiving a followup letter once your entry is received. Please reach out with any questions. Thank you!

Sincerely,  
Kim DeTennis  
Interest Fair Coordinator
